

Bamboo skewers

Ø 3,1 mm

Bamboo is to all intents and purposes a 100% natural and sustainable resource. It is therefore an excellent choice from an ecological and environmental point of view.

The skewers selected by Brunnen Industrie s.r.l. are FSC® certified, are perfectly suitable for use in the food industry and can be used for buffets, aperitifs and finger food.

In packs of 1,000 pieces, they are available in various sizes.
